Camp Oakhurst

Located between the towns of Coarsegold and Oakhurst, off the beautiful highway to Yosemite National Park, Camp Oakhurst provides a great selection of activities for our campers. Our camp directors have over 30 years of successful experience in YMCA summer camping, and a staff that have grown up in our camp's program. Campers will rotate through an elaborate schedule of daily activities like swimming in the beautiful camp swimming pool, climbing up the 3-story climbing wall, working through elements of ropes challenge courses, shooting bow and arrows at the archery range, riding trails on mountain bikes, and so much more.

Our staff adds special events, themes, campfire programs, and a positive uplifting spirit to every camp day. Campers will stay in cabins with bunk beds, with 6 to 10 cabin mates of their own gender and age group, and enjoy three meals a day served in the camp dining hall. This is our most popular summer camp, where campers come home with strong, new, and lasting friendships. There is also a high-quality Leadership Training experience available by application.
